“GOOD MORNING SWENSON-LEE FAMILY”

DAY 1; Extreme Makeover: Home Edition MN Visit

(Minnetonka, MN)-Earlier this morning Vicki and Erik Swenson got a wake up call from Ty Pennington and the *Extreme Makeover: Home Edition* design team. The murder of Vicki's sister, Teri Lee, made local and national headlines. An ex-boyfriend, whom Lee had a restraining order against, broke into her home last fall and fatally shot Lee and her boyfriend while all four of her children were in the home. Vicki and Erik Swenson have since adopted the children, creating a family of soon-to-be ten. Vicki continues to fight for the rights of domestic violence victims. This week they will make national news again as *Extreme Makeover: Home Edition*, TJB Homes, Inc. and the Twin Cities community help them open a new chapter in their live with a brand new, dream home. This is the show's first, and most likely, only stop ever in Minnesota.
