**TJB HOMES, INC HELPS BUILD A BRIGHTER FUTURE FOR TWIN CITIES
FAMILY STRUCK BY TRAGEDY**

ABC's Extreme Makeover: Home Edition makes its first ever stop in Minnesota

(Minnetonka, MN)- This week Blaine-based TJB Homes, Inc will do what many consider the impossible. Together with ABC's *Extreme Makeover: Home Edition* design team and hundreds of local subcontractors, they will build a new, quality home for a deserving Twin Cities family in just under a week's time. The Swenson-Lee family of Minnetonka got the news by bullhorn this morning from Ty Pennington.

In the past 11-months, the Swenson-Lee family has grown from five to soon-to-be ten members. Vicki Seliger Swenson and her husband, Erik, took in her sister, Teri Lee's four children after Lee and her boyfriend were fatally shot by an ex-boyfriend in September of 2006. The children's father died a few years prior in a car accident. Now with an eighth baby on the way, the Swenson-Lee family has quickly outgrown their three bedroom home.

Despite the slower housing market, TJB Homes, Inc., a family-run business, jumped at the chance to help this family and the larger community. "We were so moved by this family and how they stepped up without hesitation in a time of need," said Tom Budzynski, owner of TJB Homes, Inc. "What a great example. How could we not do the same?" The Budzynski family believes this project will go far beyond this family and help revive a community, as well as their industry. "This is going to be a good old-fashioned barn raising," says Budzynski. "Everyone is coming together, competitors and co-workers alike to help a family many have never met. It's awe-inspiring to be a part of."

TJB Homes, Inc has brought thousands of local trades, businesses, celebrities and volunteers together to make this an exciting week and project for the family and the community. For daily schedules, information on a fund for the family, project facts and more log onto www.TJBhomes.com.
